WORK EXPERIENCES
ENTER YOUR JOB POSITION HERE
COMPANY NAME | 2018 - PRESENT
Here you should briefly say what is the field of this company (no more than 10 words). Then say what important or impressive things you made in this company. Think about what is relevant with position you are applying for. It could be something like getting big clients, changing structure of the company, found new way to sell products etc.
For example:

- I got 3 of 10 biggest clients which increases company revenue
- Led project of internal knowledge sharing
- I was the main negotiator regarding the terms of the lease

COMPANY NAME | 2016 - 2018
If your company hasn't well known brand you should mention how many people have worked for your company or mention how many people have been impressed about your position. Try to find something that makes your position important. Never make up fairy tales - the admissions decisions want to know the facts.
